The Honorable John Cornyn
United States Senate
Washington, D.C. 20510

Dear Senator Cornyn:

On behalf of the International Union of Police Associations (IUPA), I am proud to add our name to those who have endorsed and support S178, the "Justice for Victims of Trafficking Act of 2015."

The trafficking of women and children for sexual exploitation is both heinous and profitable. It victimizes our most prized and vulnerable citizens. Your thoughtful legislation will provide federal funds to train, equip and staff law enforcement officers and enable them to rescue these victims and bring to justice, those who exploit them.

We look forward to working with you and your staff to bring this critical legislation forward and to see it enacted during this Congress.

Sincerely,

Sam A. Cabral
International President
