The Honorable Charles E. Grassley
United States Senate
Washington, D.C. 20510

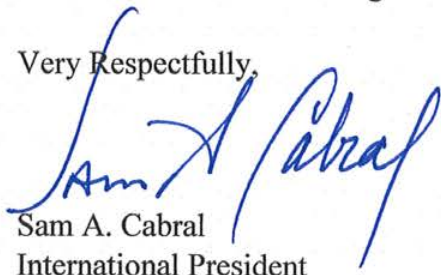

Dear Senator Grassley:

On behalf of the International Union of Police Associations (I.U.P.A.), I am proud to add our name to those who support and endorse S. 52, a Bill to make aliens associated with a criminal gang inadmissible, deportable, and ineligible for various forms of relief.

This thoughtful legislation will greatly assist law enforcement officers in their continuing efforts to make America safe for those who are here lawfully and who behave in a lawful manner. It will provide a vehicle by which we can permanently rid our country of criminal enterprises and those who participate in their unlawful activities. It additionally allows for the deportation of those whose criminal conduct merits their removal from the cities and states they victimize.

We look forward to working with you and your staff to see this critical bill become law.

Very Respectfully,

Sam A. Cabral
International President
