Dear Mr. Schimel:

On behalf of the International Union of Police Associations, I am proud to join our brothers and sisters in the Milwaukee Police Association and endorse your candidacy for the next Attorney General of the Great State of Wisconsin. As you know, the I.U.P.A. represents active duty, rank and file law enforcement professionals across this nation. Many of our members serve their communities in Wisconsin.

The men and women who put their lives on the line during every shift deserve an attorney general who puts public safety ahead of political ambition. We deserve to know that the state's top cop understands that law enforcement is not a top-down governmental program, but rather a partnership with the local individuals who work every day patrolling the neighborhoods, preventing and investigating crimes.

Your innovative policies on gun crimes, heroin, human trafficking, and violence against women are impressive. Your quarter century experience as a tough and fair prosecutor also set you apart.

To keep Wisconsin safe, we wholeheartedly support and endorse you to become Wisconsin's next attorney general. We look forward to working with you and your staff to make this dream a reality.

Very Respectfully;

Sam A. Cabral  
International President
