Dear Mr. Taylor:

On behalf of the International Union of Police Associations (I.U.P.A.), I am proud to add our name to those who support your campaign to represent Virginia's 2nd Congressional District in the United States House of Representatives.

The I.U.P.A. represents more than 100,000 active-duty, rank and file, law enforcement professionals across this great nation as well as in Puerto Rico and the Virgin Islands. Many of our members serve and protect those who are fortunate enough to live in the Commonwealth of Virginia.

We know from our members of the Virginia Beach P.B.A. and your record as a Delegate in State House that you have been an unwavering advocate for the men and women in law enforcement. Many of our members are also veterans and we are aware of your heroic military service and your commitment to those who have worn the uniform of our country's armed forces. Your advocacy is sorely needed in Washington, D.C. and we are hopeful that we can assist you in being successful in this campaign.

We look forward to seeing you sworn in to the 115th Congress of the United States and also anticipate working with you and your staff to improve the working lives of our men and women in Law Enforcement.

Very Respectfully,

Sam A. Cabral

International President
